Hard to spring a trap door on someone who can fly. Even if Tails does break every law of physics.

My favorite page. Apologies to Yardley for the script being so long and detailed on this page. He ended up having to make two pages out of one.

And the finale of this short Christmas story. When Nuckles87 first approached me about doing this comic, he wanted to use Tracy Yardley, but it's expensive for him to do commissions per page, so the story could only be 5 pages long. I told him I'd think about it, went to go shave and came back ten minutes later with this short story you just read. I yam a grate rightor!! Hurr, hurr.

....I just realized I wrote Tails kinda grumpy in this story.XD
